BRONZE REFURBISHING

Brings back that beautiful shine and colour

- **Factory Refurbishment**
the plaque is removed and sent to the foundry complete refinishing and then re-installed.
- **In-situ Refurbishment**
where is impractical to remove the plaque refinishing is carried out onsite by one of our trained specialists.
- **Other Services**
we can also embellish plaques with additional features like frames, porcelain cameos and recolouring of the background

(available background colours)
